Year 7 2025 Scholarship Program

About the Year 7 Scholarship Program

At Oak Flats High School we encourage and support all students to aspire, achieve and succeed. One way we will do this for our Year 7 2025 cohort is to make available a range of scholarships for students who show passion and dedication in aspects of the curriculum, leadership and extra-curricular activities.

Students may apply for more than one scholarship, and recipients will be advised during the finalisation of the enrolment process. One to two scholarships will be awarded in each category as specified over the page.

Each scholarship includes throughout Year 7 only:

- Payment of all Year 7 School Fees
- Year 7 Book Pack
- Scientific Calculator
- Lowes Uniform vouchers to the value of \$100.00
- Excursion costs (excluding train and independent travel costs)
- Scholarship Recognition Certificate

Scholarship Categories

Student Leadership - 2 Scholarships

Available to students who have been part of their school leadership team, this scholarship recognises the important role students play as leaders in high school. We aim to foster leadership skills and encourage students to play an active role in school decision-making. The recipients of this scholarship will also become a Year 7 member of the Student Representative Council.

Academic Excellence - 2 Scholarships

This scholarship recognises a student who has shown dedication to their studies and is coming to high school highly motivated to continue their learning journey. The recipients will demonstrate an outstanding record of academic achievement in primary school across multiple areas of the curriculum. In addition to the scholarship the recipients will be offered a place in our prestigious Motivated Learners Class.

Agriculture - 1 Scholarship

Many students from our partner Primary Schools have had the opportunity to visit our Demonstration Farm and participate in Agriculture lessons. The recipient of this scholarship will show a strong interest in Agriculture and learning more about this area of the curriculum. In addition to the scholarship the recipient will be offered a place in our Agriculture Enrichment Program.

Artistic Excellence - 1 Scholarship

This scholarship recognises the talents of a student in Visual Arts. The recipient will have a strong portfolio of artworks which may include painting, drawing, printmaking, sculpture, ceramics, photography, graphic design and a passion for extending their experiences in this area in high school. In addition to the scholarship the recipient will be offered a place in our Art Extension Enrichment Program.

Music Performance - 1 Scholarship

Our school is renowned for its talented musicians and vocalists who are nurtured by our passionate Music teachers. This scholarship is designed to recognise a musician and/or vocalist who has a background in this area they would like to further pursue in high school. In addition to the scholarship the recipient will be offered a place in our Music Performance Enrichment Program.

Sporting Excellence - 1 Scholarship

Valuing excellence in both sport and sportsmanship, the recipient of this scholarship will demonstrate a high level of achievement in their chosen sport/s. They will also demonstrate the values of good sportsmanship in their application. In addition to the scholarship the recipient will be offered a place in our All Codes Enrichment Program.

STEM - 1 Scholarship

The combined disciplines of Science, Technology, Engineering and Mathematics assist in developing highly valuable skills in design, creativity and problem solving. The recipient of this scholarship will demonstrate a strong interest in STEM education. In addition to the scholarship the recipient will be offered a place in our STEM Enrichment Program.
